

The 20th Annual
CESAR CHAVEZ

B R E A K F A S T

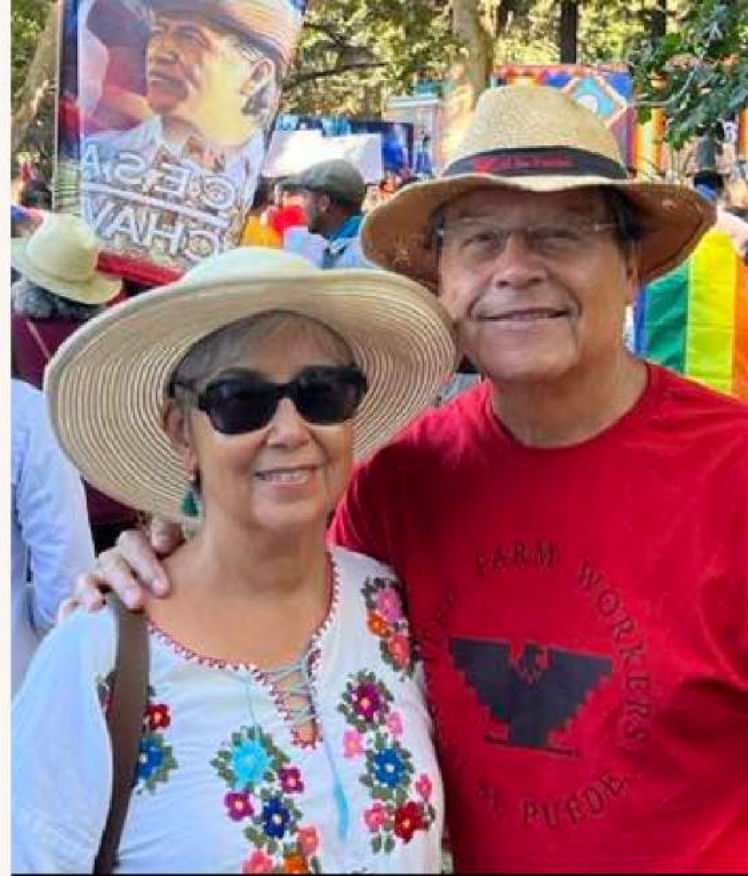

————— March 29th, 2024 —————

Latino & Latina
Roundtable
of the San Gabriel and Pomona Valley

Letter from the President

In this commemoration of the 20th anniversary of the Latino and Latina Roundtable and the Cesar Chavez breakfast, we celebrate the many early members who first met as part of a meeting inspired by Professor Harry Pachon and continued to meet monthly at Our Lady of Assumption to lay the foundation. Those members will remember that our early breakfast fundraisers were held in small restaurants in Pomona with Dolores Huerta attending every year. From its early beginning, we always had at least one staff member that we funded through these breakfasts. In the beginning, we shared a staff member with LCLAA and now we have moved in the direction of an office and a larger staff.

Jose Calderon
*President of the Latino and
Latina Roundtable*

In that spirit of resilience and sustainability, we thank all those supporters who, over the years, have helped to sustain our organization and its work in immigrant rights, education transformation, and community economic development. We thank the honorees, the scholarship recipients, the LRT staff, and our members and volunteers who are examples of what Cesar Chavez was all about: using our knowledge, skills, and passion for the cause of equitable justice and quality of life in our communities.

Mr. Meza previously served as Assistant Superintendent of Pupil and Community Services, Administrative Director of Pupil and Community Services, Director of Constituent Services and Safe Schools/Healthy Students and Program Administrator for Community and Employee Relations. His entire legal career has been dedicated to helping others and achieving equitable outcomes.

Union De Ranchos

The Union de Ranchos were organized in 2022 to advocate for the equestrian and agricultural zoned community and against warehouse expansion and toxic polluters in the City of Industry. This collective also came together because of issues that emerged in the San Gabriel Valley over land use planning policies that sought to mitigate the seriousness of environmental hazards in the region. The group has grown into an organization in the San Gabriel Valley that is united around building a resilient environmental justice movement that can fight greedy luxury condominium developers and toxic warehouses. The collective of Avocado Heights Vaquer@s and Union de Ranchos has also been building their presence by participating in two Coalitions. One coalition is called Union De Ranchos, which is a coalition of immigrants from the diaspora living in the San Gabriel Valley and households within the three local equestrian districts in the working class communities of the San Gabriel Valley. This is the largest equestrian Coalition in Los Angeles County. The second coalition, the Hacienda La Puente Community Coalition, is the first time they have organized students and parents from Hacienda Heights, Bassett, La Puente, and Valinda into a single organizing body.

HONOREES

St. Francis RNs; Healthcare Workers from UNAC/UHCP; SEIU-UHW

Now known as the Prime 9, four registered nurses and five other health care workers were fired during the holidays by Prime Healthcare from their jobs at St. Francis Medical Center in Lynwood after presenting documentation of unsafe staffing and letters of support at Prime's Ontario, CA headquarters. Firing brave, experienced health care workers who called out unsafe patient care practices is unlawful, irresponsible, and a threat to the safety of patients in our community. UNAC/UHCP represents the four RNs and SEIU-UHW represents the other five workers.

Harry Pachon

Professor; Posthumous Award

Harry Pachon, a scholar-activist helped focus national attention on the needs of the growing Latino population, particularly in politics and education. He passed away in 2011. Pachon was the president of the Tomas Rivera Policy Institute when it operated at Claremont Graduate University and at USC where he was a professor of public policy. Pachon lived in Claremont. Professor Harry Pachon helped start the LRT when he asked Professor Calderon to call a meeting of leaders together in 2003 at the Founder's Room at Pitzer College to discuss the changing demographics in the region. The Roundtable continued to meet at Our Lady of Assumption and led a march, in that same year through 22 cities (from Claremont to Los Angeles) to protest Governor Schwarzenegger's doing away with a bill that would have given undocumented immigrants the right to a driver's license.

Alicia Rodriguez

Latino and Latina Roundtable Board Secretary

Alicia Rodriguez, an immigrant from Colima, Mexico, is a semi-retired educator, who taught elementary, middle and high school for 21 years. Her first career was in the private sector, where she worked as a worker's compensation claims examiner. Alicia has been a member of Latino(a) Roundtable since its inception and has contributed to its major events and committees. During the last four years, she has served on the LRT's Board of Directors and has executed the position of Secretary for the last two years. In addition, she volunteers her skills and time to Financially Fit Foundation and to SGV-IE Valley LCLAA. She and her husband, Jorge Rodriguez, raised three children in the neighboring city of San Dimas.

Prayer of The Farmworker Struggle

**Show me the suffering of the most miserable;
so I will know my people's plight.**

Free me to pray for others;

For you are present in every person.

**Help me take responsibility for my own life;
so that I can be free at last.**

**Grant me courage to serve others;
for in service there is true life.**

**Give me honesty and patience;
so that I can work with others.**

**Bring forth song and celebration;
so that the spirit will be alive among us.**

**Let the spirit flourish and grow;
so that we will never tire of the struggle.**

**Let us remember those who have died for justice;
for they have given us life.**

Help us love even those who hate us; so we can change the world.

Amen.

-Cesar Chavez
